February 26, 2003

Mr. Rocky Anderson  
Mayor  
Salt Lake City, UT

Honorable Mr. Anderson:

**HEREBY LET IT BE KNOWN:**

That it is with pleasure that we write this letter of endorsement for your upcoming re-election campaign for Salt Lake City Mayor. In keeping with the mission statement of the Mountain West Regional Council of Carpenters and Local 184, we feel you possess the leadership skills that will continue to promote, protect, and preserve the rights and quality of life for workers and their families here in the State of Utah. For over one hundred years, the Mountain West Regional Council of Carpenters and Local 184 have made a name for themselves not only statewide, but across the nation. We are confident that you have the vision that will allow us to realize further growth and continued success here in the State of Utah.

Your dedication to and support of working families as the mayor of Salt Lake City speaks in terms of progress and success across our State. The plans you have developed and endorsed locally and statewide have been salient in allowing Carpenters and their families to work in a more efficient, fair and effective way in the construction trade of the State of Utah.

As issues of diversity in both the construction trade and the development of our communities arise, you have demonstrated by your knowledge and actions that you are aware of the sensitive needs of all working families. As we all work together to share our ideas and lend support to our communities, the working families in Utah need to have a strong leader that is willing to embrace diversity. We wholeheartedly feel you have those skills

The Mountain West Regional Council of Carpenters and Local 184 do hereby pledge our endorsement and support for your re-election campaign for the office of Mayor of Salt Lake City, Utah.

Sincerely,

Bill Hirschi
